At present, this question is not suitable for our format of questions and answers. Release notes: the executive publisher of the OED, Danica Salazar, also discusses the latest English Irish words to add to the OED, from Bockety to Banatee in this article. New words known: knowing more about the words added to the OED in this quarter in our new notes of words of the Eed Senior Editor, Jonathan Dent. Find out more if you think this question can be improved and possibly reopened, visit the help center for driving. Being someone who loves and collects words, the Oed is the perfect resource for someone like me! E è o œ I think the OED app is worth every penny that decides to put in it. So what do I say? to say?
